# Violette's Cellar

## Wine List

In Loving Memory of Violette Botros, who courageously battled cancer for over a decade. She always had a smile on her face, and a warmth in her heart. We opened Violette's Cellar with the idea that life is precious, and so are friends and family.

Under this motto, we have developed a unique beverage program, to allow our guests to fully expand their palate and to travel the world with their taste buds, without having to leave Staten Island.

So, let us take you through our eclectic and exciting Wine List that has never been seen before on Staten Island. This collection is a result of tasting over 1,200 wines, where we have now selected bottles which represent the most well-known wine regions around the world. WE INVITE YOU TO TASTE AND ENJOY, CHEERS !!!!!
